

A Time of Blessing for the Allans

The month of August was quite a blessed and exciting time for the Allan family, as God opened the doors for us to travel into Canada and the US. We started off visiting in Georgia, North Carolina, and South Carolina before heading up to Canada. It is always a privilege to have the opportunity to visit with supporting churches and friends. Our journey was a great time of rest and recreation, and we thank God for His provision and protection throughout our journey. We would like to thank all

of the brothers and sisters we were able to see for all their prayers and support along the way.

Among the churches we had the opportunity to visit in Canada were: Bishop Francis' Church in Scarborough, Ontario; Humberlea Church of God in Toronto; the Spanish Church of God in

Toronto; Walker Church of God in Windsor, Ontario; the Yugoslavian Church of God in Kitchener, Ontario (picture above); and Kingdom of Glory in Mississuagua, Ontario. In Winston-Salem, North Carolina, we also had a wonderful visit with Pastor Dishman, his wife, and the saints of Parkview Church of God.

While in South Carolina, we picked up a 15-passenger van donated to Hearts for the Children by The Greer Christian Learning Center. Mrs. Kathy Neely was responsible for helping get the donation to us. Many thanks go out to these folks for thinking of our ministry and making this tremendous donation!

Another big thanks goes to Captain Bob of Riverstone Church in Marietta, Georgia. Bob is a pilot for Delta Airlines who was kind enough to arrange first class accommodations for us on our flights to and from North America. Without his help, we likely would not have been able to make the trip. God works in mysterious ways—he uses all of his children to get the job done!

We also want to thank Dr. Weber and Dr. Casas for donating their time and expertise by attending to our medical needs while in Georgia. We extend many thanks to Jeff and Tiffany Kingsfield for all their hospitality and love during our stay in Georgia.

Overall, the trip was a great break for Cheryl Leigh, even though she missed her first week back to school and had quite a bit of catching up to do! Upon our return to the Ministry in Guatemala, we were blessed to find that the staff had done a marvelous job of keeping operations going.

We give all the praise and glory to our Father in heaven who supplied us with every need, took care of us, and blessed us as a family in so many ways during this trip!
